

SPIRITUAL HEALING **For** **HEALTHY PEOPLE** **And** **ANIMALS**

PREVENTION IS ALWAYS BETTER THAN CURE

**Most people come for spiritual healing when they are ill,
often after everything else has failed,
which shows just how powerful spiritual healing can be,
working when all others fail.**

**But people do not think that it can also prevent illnesses
from happening in the first place.**

**Many conditions are not meant to be,
and all these can be helped
with spiritual healing.**

Both personal appointments or distant healing
